

The Teachings of Isis from anxiety to insight

A COROS MEDITATION RETREAT LED BY
DENNIS KLOCEK
APRIL 3-5, 2009 (PALM SUNDAY) AT
WALKER CREEK RANCH PETALUMA, CA

The journey of Isis searching for the lost Osiris is a potent mythological image that can inspire a new approach to transforming anxiety into insight. The Isis myth will be used as a backdrop for soul transforming exercises to uncover and identify the hidden sources of anxiety in every day life. These revealed elements will be explored further through dialogue using the mythic language of symbol.

Topics will include:

- Death of the spirit in the material world as a source of unconscious anxiety.
- Working on the essential steps of separating the soul forces in the process of self-development.
- Re-uniting effectively the soul forces and forging new insights into dreams, destiny and karma.
